Professional Summary

Creative and detail-oriented Graphic Designer with a strong ability to transform ideas and complex concepts into compelling, purposeful visual experiences. Skilled in developing high-quality designs across branding, social media, marketing materials, digital content, and visual communication. Combines strong design principles, creativity, and an understanding of audience needs to create work that is both visually engaging and strategically effective. Adaptable, collaborative, and committed to continuous growth, with the ability to work across diverse projects, industries, and creative environments.

Professional Experience

Lead Designer - AI Summit

Tech Conference | 2026

- Led the visual design and creative direction for AI Summit, a technology-focused conference, developing approximately 80% of the event's overall branding and visual identity.
- Designed and maintained a cohesive visual system across promotional graphics, social media content, event materials, and digital marketing assets.
- Created campaign visuals strategically aligned with the conference audience, contributing to 300+ registrations within one week of the promotional campaign.
- Collaborated with the organizing team to translate event objectives and messaging into engaging visual communication.
- Maintained brand consistency across multiple digital touchpoints throughout the event campaign.

Lead Graphic Designer - AUL Chapel

Anchor University | 2026

- Designed a wide range of visual communication materials for AUL Chapel, supporting church programs, events, announcements, and digital communication.
- Developed promotional graphics, event flyers, social media creatives, and other branded materials while maintaining visual consistency.
- Translated event themes, announcements, and key messages into clear and engaging visual content for diverse audiences.
- Collaborated with church leadership and event teams to understand design requirements and deliver creative solutions within deadlines.

Social Media Designer - UK Scent

Perfume & Fragrance Brand | 2026

- Designed social media content for UK Scent, creating visually compelling graphics to support product promotion, brand awareness, and audience engagement.
- Developed promotional creatives for perfume products, campaigns, announcements, and digital marketing initiatives.
- Applied brand guidelines, typography, color, imagery, and visual hierarchy to maintain a consistent premium brand aesthetic.
- Translated product information and marketing objectives into engaging social media visuals tailored to the target audience.

Branding Designer - Tech Fusion '26

Technology Event | 2026

- Developed branding assets and visual communication materials for Tech Fusion '26, establishing a consistent visual identity for the event.
- Designed promotional materials across digital platforms to increase event visibility and audience engagement.
- Applied typography, color theory, layout, and visual hierarchy to create a cohesive and recognizable event brand.
- Collaborated with the organizing team to ensure designs aligned with the event's objectives, messaging, and target audience.

Lead Designer - Student Week 2026

Anchor University | 2026

- Led the visual design direction for Student Week 2026, developing creative assets for event promotion and communication.
- Created event graphics, promotional materials, social media content, and supporting visual assets.
- Maintained a consistent visual identity across multiple campaigns and event touchpoints.
- Managed design requirements and deadlines while collaborating with organizers and stakeholders.

- Managed the visual design process for a book project from initial concept through launch.
- Developed the book's visual identity and created supporting promotional and launch materials.
- Translated the author's vision and content into professional, audience-focused visual communication.
- Coordinated design revisions and delivered final production-ready assets while maintaining consistency across the project.

Lead Social Media Designer - RALBW

Tech | 2025

- Led the visual design direction for RALBW, developing creative assets aligned with the brand's identity, audience, and communication goals.
- Created branded marketing materials, promotional graphics, social media content, and other visual assets across digital platforms.
- Maintained consistency in typography, color, layout, imagery, and overall brand presentation.
- Collaborated with stakeholders to translate briefs and concepts into polished, engaging visual solutions.

Freelance Graphic Designer

Self-Employed | 2025–Present

- Deliver graphic design solutions for individuals, organizations, events, and brands across digital and print media.
- Create social media graphics, marketing materials, event branding, promotional designs, and visual communication assets.
- Work directly with clients to understand briefs, develop concepts, incorporate feedback, and deliver final designs.
- Manage multiple projects simultaneously from concept development through final delivery while meeting client requirements and deadlines.
- Apply principles of typography, color, composition, branding, and visual hierarchy to produce polished and effective designs.
